

Introducing our 90 Day Action Plans

At Lark Business Advisory, we are very passionate about Business Planning.

Our **90-Day Action Plan Meetings** have been developed for those who want to accelerate their business results in a short time frame.

90 Day Action Plan

WHAT IS INCLUDED?

- Pre-work
- 2 hour face-to-face session or Zoom session
 - In this session, we do a brainstorm and arrive at your 90 day actions to accelerate your business performance
- 1 hour follow-up meeting

WHAT ARE THE BENEFITS?

- Cost effective & time efficient way to get a plan going for immediate action
- You will see instant results as you follow through on the 90 day actions
- Once you have developed confidence, after your 3 months results, you can then review your position and consider taking on the 12-Month Business Planning process.

WHO WOULD BENEFIT FROM THIS SERVICE?

- A business owner who is focused on the immediate short term and is looking to accelerate results
- Someone who would like to get a taste of the business planning process and develop some confidence before taking on a 12 month business plan.
